

Resources for St. Paul & Church of the Resurrection Parishioners Affected by Job Loss

The clergy, staff and parishioners of St. Paul and Church of the Resurrection join together to support our sisters and brothers affected by changes in employment.

1. Prayer Support

- Offertory prayers will be offered during Masses at both parishes: ***May St. Joseph, the patron saint of workers, guard and protect them in their pursuit of the fundamental right to productive work.***
- Prayer partners from pastoral councils and other ministries are offering daily prayers for all affected employees and their families.

2. Ongoing Support and Connection

- A group of parishioners with expertise in business leadership and career transition plans to offer live or virtual meetings to support individuals and families persevering in faith through life's difficulties. We are collecting information via the link below.
- Please share your thoughts and areas of interest through the link below. We hope to customize future presentations and meetings to focus on the most relevant topics.

3. Employment & Assistance Resource Support

- We have gathered links to the resources available in Howard County and Maryland.

This flyer is posted on both parish websites:
